Isaac's Wish: To Jumpstart His Musical Career!

Austin, Texas – The Make-A-Wish Foundation of Central & South Texas will grant a heartfelt wish for a 14-year-old boy from Austin, Texas who has wished “to have a Schecter Synyster standard guitar” to help start his career in music.

In celebration of this Wish, and through the generosity of Advocate, MD that made his wish possible, Make-A-Wish will host a **Wish Presentation Party for Wish Kid Isaac at 1:30 p.m. on Sunday, December 9, 2007 at Cannoli Joe's, 4715 Hwy 290 W, Austin, Texas.**

Wish Kid Isaac has been battling End Stage Renal disease, which causes temporary or permanent damage to the kidneys resulting in loss of normal kidney function. Isaac's guitar will be presented along with an amp, lessons, and many other enhancements. In addition, Isaac will receive a song book, CD's, t-shirts, and more from his favorite band, Avenged Sevenfold, who personally autographed his guitar! Representatives from Advocate, MD that adopted Isaac's Wish, in addition to Isaac's family and friends will join him at his favorite restaurant, Cannoli Joe's, who is donating the delicious fare and venue for this special Make-A-Wish event!

The Make-A-Wish Foundation is a non-profit organization that grants wishes of children diagnosed with life-threatening medical conditions, to enrich the human experience with hope, strength and joy. Since 1985, the Make-A-Wish Foundation of Central & South Texas has granted more than 2,200 wishes to children in a 40-county area.
